PE-	14-	BK-	100
PE-14-BK-100 = Polyethylene, 1/4", Black, 100 ft			

## LOW COST...IN STOCK

- LLDPE
  - Made from 100% non-toxic ingredients.
  - It's inert nature and FDA approved status makes it perfect for food, water and beverage piping
  - Ideal for use in pneumatic, drain piping, lab use and chemical transfer applications which require an inexpensive tubing
    - Highly-resistant to stress cracking from chemicals, aging and ultraviolet exposure
      - For use with barb-type, push-to-connect or compression-style fittings
